

# Comments for Planning Application DM2025/01591

## Application Summary

Application Number: DM2025/01591

Address: Ambulance Station Dorset Road Belmont SM2 6JH

Proposal: Change of use from Sui Generis (Ambulance Station) to mixed use Classes F1 (Places of Worship) and F2 (Community Hub) involving the erection of a part one, part two storey front and side extension, increase in height to part of building and provision of cycle and refuse stores.

Case Officer: Polly Davidson

## Customer Details

Name: Mr Adnan Arab

Address: 21 Chelmsford Close Sutton SM2 5BG

## Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am a resident of Chelmsford Close and write to express my strong support for this proposal. As a resident who lives close by I would walk to this venue as many other people in the surrounding area would.

I welcome the re-use of the existing site and buildings for positive community purposes.

Community space in our area is increasingly limited, and accessible, flexible venues for local groups are in short supply. This proposal would deliver a significant benefit to local residents.

As the organiser of a local cycling club, I know how challenging it is to secure suitable meeting and activity space. A well-managed community centre would provide a valuable base for local groups, promoting healthy lifestyles, social interaction, and stronger neighbourhood connections.

The proposed design is attractive and in keeping with the surrounding character. The plans appear carefully considered, and the additional parking demonstrates practical regard for visitors and neighbours.

The application aligns with the London Borough of Sutton Local Plan and the London Plan by strengthening social infrastructure and supporting community cohesion. It provides much-needed space in a sustainable location while enhancing the site's appearance.

Overall, I believe this proposal will deliver lasting benefits to the area and I respectfully request the Council to approve it.
