Comment Reasons:

Comment: Dear Planning Officer,

We are writing as residents of Dorset Road to express our support for planning application DM2025/01591.

Having lived close to the former ambulance station site, we are well aware that it operated on a 24-hour basis with associated vehicle movements and activity at all hours. We welcome the proposal to replace this intensive use with a modest, community-focused development that will be significantly quieter and more in keeping with the surrounding residential character.

We also appreciate that the scheme includes additional parking provision, helping to manage demand and reduce pressure on nearby roads. In terms of design, the proposal appears proportionate and sympathetic to the existing streetscape.

Overall, we believe this represents a positive change for the neighbourhood and respectfully ask that the Council approve the application.

Yours faithfully,
Tofayel Chowdhury
