Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am strongly objecting to this planning permission on following grounds:

- School-run pedestrian safety and parking stress
- Inadequate on-site parking and overspill into residential streets
- Impact on elderly and mobility-impaired residents
- Emergency access and response resilience
- Late operating hours and noise disturbance
- Constrained local road network
- Overreliance on unenforceable management measures

We urge Sutton Council to refuse the application due to unacceptable impacts on highway safety, parking, residential amenity, and emergency access.
