Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: It's a shame that the Ambulance Station is no longer being used, and unfortunately, has been neglected for quite some time now. Although it will take a lot of work, hopefully someone will take up the task of making it useful again. Otherwise, it will just take up space and be left there, or worse, just be used as another mundane block of flats
