Comment Reasons:

Comment: Dear Sir/Madam,

As a resident of Holland Avenue, I strongly support the proposed community centre development.

This facility would provide much-needed space for local groups, activities, and services, helping to strengthen community cohesion and reduce social isolation. The area currently lacks accessible indoor venues for our youth activities, senior programmes, and community events.

The proposal aligns with local planning priorities by promoting wellbeing, social inclusion, and sustainable community development. The centre would serve a wide range of residents and contribute positively to the vitality and safety of the neighbourhood.

I respectfully encourage the authority to approve this application.

Yours faithfully

Mrs Azeema Mirza
