Comment: Dear Sir or Madam,

Re: Planning Application DM2025/01591 - Sutton Ambulance Centre

I am writing as a resident of Holland Avenue to express my strong support for this planning application.

I particularly welcome the wellbeing focus that the proposed community centre will bring to the local area. Accessible programmes that promote health, social connection, and personal development are invaluable for residents of all ages. The educational initiatives outlined as part of the centre's activities will also create meaningful opportunities for learning and wider community engagement.

A further important benefit is the centre's close proximity to my home. Having a facility within safe walking distance encourages greater participation, reduces reliance on vehicles, and helps to strengthen neighbourhood relationships.

It is also worth noting that the site previously operated as a 24-hour ambulance station, which involved continuous vehicle movements and operational activity throughout the day and night. The proposed change to a community centre with clearly defined and more limited opening hours represents a positive improvement for the area. Reduced hours of operation are likely to lower overall noise and activity levels, which will be beneficial for neighbouring residents and the general character of the locality.

I also appreciate the parking management measures described in the application, particularly the intention to avoid conflicts with school drop-off and pick-up times. This reflects a responsible and considerate approach to traffic management and demonstrates awareness of local concerns.

In terms of appearance, the proposed design appears proportionate and well suited to its surroundings. The plans seem respectful of the existing streetscape and consistent with the character of the neighbourhood.

Overall, I believe this development will deliver meaningful community benefits while remaining sensitive to its setting. I respectfully request that the Council approve planning application DM2025/01591.

Yours faithfully,

Mr Naveed Mirza
