Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:1) Summary objection

I object to DM2025/01591 because the proposal would cause unacceptable harm to highway safety, parking stress, and residential amenity in a constrained residential area, particularly during school-run and evening peaks.

2) My local context (make this personal and specific)

I live at Sackville Road, Sutton (near to this place).
