Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am writing to express my support for planning application DM2025/01591.

This proposal would deliver clear community value through the responsible reuse of an existing site, providing a well-managed facility that supports local needs. The development appears appropriate in scale and character for the area and represents a sensible, contained use that should not adversely affect the neighbourhood.

I respectfully request that Sutton Council approves this application.
