Comment Reasons:

Comment: I think this centre will be a great asset to the area. I think this will be a place to keep young people off the streets and give them useful and interesting activities to get involved in especially charity and outreach work.

Also it's a great opportunity to give a safe space for women to have a place to meet and do fitness and wellbeing activities

Generally it shouldn't be a bother to the local area as it's quite out of the way and as it's for locals most people walk there
