Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am writing to express my strong support for planning application DM2025/01591.

As a member of the local community, I believe this proposal represents a positive and thoughtful development that will deliver clear community benefit. The plans respond to genuine local needs by strengthening the services and facilities available to residents, while helping ensure the mosque can continue to serve as an inclusive and supportive space for worship, education and community engagement.

I hope the planning authority will look favourably on this application and recognise the value it brings to the local community and approve this application.
