Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I Strongly object this change and with extensions which will create public inconvenience.

My youngest goes to Avenue Primary school and older one goes to Harris and both use this road every day.

This venue is not suited for the proposed F1 venue as it will add undue stress to residents with increased traffic especially school going kids and elderly people living around this area.

It will cause lots of traffic in this area and may cause injury to kids due to close proximity to schools.
