

Comments for Planning Application DM2025/01591

Application Summary

Application Number: DM2025/01591

Address: Ambulance Station Dorset Road Belmont SM2 6JH

Proposal: Change of use from Sui Generis (Ambulance Station) to mixed use Classes F1 (Places of Worship) and F2 (Community Hub) involving the erection of a part one, part two storey front and side extension, increase in height to part of building and provision of cycle and refuse stores.

Case Officer: Polly Davidson

Customer Details

Name: Mr Andrew Fellows

Address: 24 Balmoral Way Sutton SM2 6PD

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: As my family are resident in Balmoral Way, we need to and herewith do object strongly to this development application for the Old Ambulance station.

The following reasons are given:

- A. we are already overwhelmed with the overflow of vehicles from people parking who live/reside in King's Road and adjoining roads, parking continually in Balmoral Way as their own roads are permanently full with traffic and thus often blocking and hindering the access to our home;
- B. Secondly, during drop-off and pick-up times for the Avenue primary school, (the council has not done and is not doing anything about this), currently the sheer volume of cars which block Balmoral Way and Dorset Road on a permanent and temporary basis is totally unacceptable; and,
- C. The proposed usage will make the neighbourhood traffic situation worse and will constitute a disturbance to the residential nature of the area and will affect our access, given the open nature of the proposed usage and the long hours for access given.

We request the Council to refuse this application in its entirety.

This land should be developed for residential use only.
