Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: As a member of the bowls club and parent of a resident who lives on Avenue Road, I strongly object to this proposal. Parking in and around the bowls club is already extremely difficult, particularly on Mondays and Fridays and this causes ongoing disruption for local residents and club members.

Granting this application would significantly worsen an already problematic situation. In particular, Friday prayers are likely to increase congestion and parking pressures on Avenue Road, Dorset Road and Balmoral Way, to name but a few, resulting in further traffic disruption and access issues. For these reasons I believe the application should not be approved.
