Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am in support of the change of use of this site location, as it sits the site is unsightly and could put to much better use. Namely a re-development would not only prove more attractive on the eyes, it would utilise the site at a time where space is difficult to find. This site has sat vacant for years now and its open to attracting trouble from vandals and those keen to cause damage.
