Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am writing to formally support planning application DM2025/01591.

I believe this proposal will majorly benefit the local Muslim community and it also provides a place of worship for us in walking distance to where I live and local residents alike. This proposal seems to be appropriate in scale and character and would vastly contribute positively to the area.

I respectfully request that Sutton Council approved this application.
