Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Big peak surges: up to 250 people could arrive/leave

around documents reference a worst-case overlap where Friday prayers.

- Parking shortfall: only 14 on-site spaces. Worst case assumes 69 cars will park on nearby roads, with

up to 80 vehicles locally during the overlap.

- School safety: Avenue Primary Academy has 1,034 pupils. Extra traffic/parking increases risk at drop-off/pick-up and reduces visibility.

- Late-night disturbance: dispersal around 11pm can mean voices, engines, doors slamming, and cars

circling for spaces.

- Vulnerable residents: a nearby care home and elderly neighbours are hit hardest by obstruction and

late-night disturbance.

- Cumulative pressure: Dorset Road already serves other clubs/venues-overlapping peaks will worsen

congestion and parking stress.
