Comment Reasons:

Comment: I am writing in SUPPORT of planning application DM2025/01591.

As a local resident and mother, I am conscious of the fact that there are limited community facilities for young people to meet in a safe environment with organised activities. The community centre will be open to all, and I hope this will be a great way to bring all members of the community together.

More specifically, the community centre will provide the local community health and fitness classes, social and wellbeing workshops and youth activities in a safe place.

I respectfully request that Sutton Council approves this application
