Comment Reasons:

Comment:

1 *Affordable Indoor Community Space*

There is a shortage of affordable, bookable halls for:

- Youth engagement
- Cultural programmes
- Educational tuition
- Health workshops

2 *Mental Health & Social Isolation*

Particularly affecting:

- Elderly residents
- New parents
- Young people

A local, inclusive venue promotes connection and preventative wellbeing.

3 *Women-Focused Community Provision*

There are limited culturally sensitive and community-based women's health.

4 *Accessible Faith & Community* Infrastructure

A managed place of worship combined with wider community use reduces the need for informal or temporary arrangements.
