Comment Reasons:

Comment: Dear Planning Officer,

Re: Supporting Planning Application DM2025/01591

I am writing to express my strong support for Planning Application DM2025/01591.

As a local resident and a woman living in this community, I believe this proposal will bring important and much-needed benefits to families in the area. In particular, I welcome the provision of dedicated space and activities for women. Having access to a safe, inclusive environment where women can take part in wellbeing programmes, community activities, and educational sessions will make a meaningful difference to many of us who value spaces that are accessible and supportive.

I am also very encouraged by the focus on children and young people. The educational programmes and structured activities will provide positive opportunities for children to learn, grow, and stay engaged in a safe environment. This is especially important for families who are looking for constructive community-based activities close to home.

The building itself is modest in scale and appears to be in keeping with the character of the surrounding area. It represents a low-intensity use compared to other possible developments and is clearly designed with consideration for neighbours. The inclusion of 12 on-site parking spaces, including 2 disabled bays, as well as cycle racks to promote sustainable travel, shows that practical planning matters have been carefully addressed.

I also understand that Friday prayers will be staggered to avoid school pickup times, which demonstrates thoughtfulness towards traffic management and minimising disruption. In my view, the proposal will not result in significant traffic, noise, or light issues. I appreciate that greenery is being maintained, helping the development blend respectfully into the local environment.

Overall, I believe this development will strengthen our community and provide valuable facilities for women, children, and families. I respectfully ask the Council to approve Planning Application DM2025/01591.

Yours faithfully,

Hajera Khatoon
