Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We object to this planning application for the following reasons:

School safety concerns: The anticipated increase in crowd levels raises serious safety issues for nearby schools, particularly regarding the safety and wellbeing of girls.

Impact on vulnerable residents: The development is likely to significantly affect vulnerable residents in the neighbourhood, due to obstruction, increased congestion, and potential late-night disturbance.

Peak-time surges: The submitted documents indicate a worst-case overlap scenario in which up to 250 people could arrive or leave around Friday prayers, creating substantial pressure on local infrastructure and access routes.

Hope you will consider these points.

Thanks & Regards
