Comment Reasons:

Comment: There are two local schools in this area, which means lots of young children and cars at pick up and drop off times.

It's a quiet residential area.

There are a number of care homes near by too.

A place of worship would bring more cars hence issue with parking, more people and so more noise and late night disturbances.

I don't want Balmoral Way blocked up with lots of cars that don't belong to the residents themselves.

Also the structure would look completely out of character for this area.
