Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the proposed development, the roads get busy and parked up enough at school pickup and drop off times already. Having this occur at other times of the day as well is not something I'd support.

I'm also concerned that this may lead to further parking restrictions being implemented.

An increase of cars u-turning in the local roads, perhaps with large numbers of children walking in this area also sounds dangerous.
