Comment Reasons:

Comment: I live in Queens Road and I'd like to reject this proposal on the grounds of traffic by the proposed Mosque and Community Hall. I have lived here for 17 years and have seen the expansion of The Avenue school to over 1000 children. This causes a complete breakdown in the traffic congestion in the area. I see that the potential problems with Friday prayers would compound a problem that is close to breaking. I have seen the S4 struggling to take its route by the school. Teachers use the area to park all day, while parents block Holland Avenue, Dorset Rd, York Road. If you add to this problem by approving the development, you might have an issue where emergency services will struggle to gain access to this area.
