Comment Reasons:

Comment: I support the Planning Application reference number DM2025/01591. I have been living in Cheam/Sutton area for over fifteen years and we need community centre/facilities for health and wellbeing of the people living in the community. The building is in the local area and is within easy reach for people living in the Cheam and Sutton area. The community centre/facility will also be used for prayers. The Friday prayers will be staggered so that school pick up times are not impacted. This will not cause traffic or noise issues in the area. In view of the needs of the local community I kindly ask the Council to approve this Application for the betterment of the people of Sutton and surrounding area.
