Comment Reasons:

Comment: I support this application. I have been living in Cheam for over 15 years. we need community centre for health and wellbeing of people in our community. The building is in the local area and easy to reach for the people in the Sutton area. the community centre will also be used for Friday prayers. The Friday prayer times will be such as to not conflict with school pick ups. This will not cause traffic or noise issues. I kindly ask the Council to approve this application.
