Comment: Dear Sir/Madam,

I am writing to support Planning Application DM2025/01591. I am a local resident and have lived in the area for over seven years.

I really welcome the focus on wellbeing that this community centre will bring. Programmes that support health, bring people together, and help with personal development are very important for people of all ages. The educational activities for children will give them positive learning opportunities, and the dedicated activities and safe space for women will be a valuable addition to the community.

The centre is also within safe walking distance of my home. This will make it easier for local people to attend, reduce the need to drive, and help build stronger neighbourhood connections.

Yours faithfully,

Sadia Sabrina
