Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have been a resident of Sutton for more than 30 years. I have served the Sutton community with respect to all races, caste and religion.

I do not have a local center in Sutton convenient for me to travel for gathering or worship.

Do I go to other boroughs for congregation or gathering or worship ?

Sutton council should consider my application of support to me , having a community centre for family gatherings and worship.
