Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This proposal would give the entire community a safe place to pray and attend events, not just for men but women and children too.

It's also nice that this won't be strictly a prayer space but a location to engage in well-being events for the community- much needed in the local area post Covid Lockdown.

Lastly, with ever-increasing membership charges of local gyms, this venue's proposal to host sporting activities is something I'd quite look forward to, as a young woman who loves to play netball.
