Comment: Dear Planning Officer,

I am writing to express my support for the above planning application for the proposed place of worship at Ambulance Station Dorset Road Belmont SM2 6JH

I am a resident of Flat 2, 469 Gander Green Lane, North Cheam SM3 9RA, and I believe this development will provide significant benefit to the local community. In addition to its role as a place of worship, the facility is intended to host a range of community-focused activities such as educational programmes, youth engagement, charitable initiatives, and social support services. These uses will create an inclusive space that serves a wide cross-section of Sutton residents.

In my view, the development aligns with local planning objectives by supporting community infrastructure, promoting social cohesion, and providing accessible services for residents.

I respectfully ask that the Council considers these benefits when determining the application.

Yours faithfully,

Syed Rehman
