Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I support the application DM2025/01591.

As a local to the area I am delighted to see plans to utilise this space, so also see the change of use will include a number of programs for the entire community to utilise and benefit from is incredible news. It would be great if the community became more inclusive, especially in current times.
