Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I support the following application reference: DM2025/01591

As a local resident having grown up in Banstead seeing inclusive programs and positive change in the area brings me happiness.

I note the proposition does not look excessive and includes a wealth of programs for well being, education and offers facilities for the community to benefit from. I cannot wait to see this come to fruition.
