Comment Reasons:

Comment: As a local resident, who lives in walking distance of the proposed property, I would love to express my support of this application, as I feel it is very green to have a community centre at our doorstep.

Though I have lived here for more than 20 years, this is the first time such an opportunity has come our way.

As a community we are a very clean, quiet and friendly people. It would be lovely to get to know our neighbours, hold coffee mornings for the elderly and young families. We would have a place for teens to get together in a safe environment, and a hub for other community services.

Great re-purposing of an ex ambulance centre.

Thank you for considering the application.
