Address: 5 Evesham Close Cheam SM2 6HP

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Proximity to Avenue School and Local Infrastructure: The site is located near Avenue School, an area that already suffers from severe parking shortages and high traffic congestion. Introducing a full-time place of worship would place an unsustainable "stress" on the local roads. Furthermore, the increased vehicle flow raises significant concerns regarding the safety and security of children in the immediate vicinity.

Access Constraints: There are currently only three points of access to the old fire station, which are insufficient to handle the projected increase in traffic and footfall.
