Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The area during school turn out is already gridlocked around the vicinity. Buses struggle to travel through Avenue Road without the addition of the extra traffic that it will cause. This has been proved already by the existing meetings on a Friday at the Belmont Church where we see evidence of inconsiderate parking. Unless a large car park is provided at the proposed site that can accommodate all of the vehicles that it will attract then I strongly object, not to mention the added pollution that will accumulate from cars being stagnant outside the Avenue school grounds trying to pass through.
