## Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposed use of the site in a quiet residential area is wholly inappropriate.

Parking : The site itself is too small to cope with the potential number of cars . The vast majority will need to park in the surrounding streets. This will mean Dorset Rd Balmoral Way, Avenue Road & Holland Av. will need to cope with the overspill. Parking is already a problem for local residents due to the Avenue primary school, with inconsiderate and potentially dangerous parking a daily occurrence. The proposed site will only exacerbate the situation and extend the problem throughout the day and into the evening.
