Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am writing to object very strongly to the Ambulance Station being turned into a prayer room and a social area. This is in an area which already has a parking problem owing to the nearby Avenue School. There are teachers who park all around this area for the whole day. Then we have the parents who park every week day for drop off and pick up. They often park across dropped kerbs and even driveways making life very difficult for people who live in the area. Friday is chaotic with traffic everywhere which often means the bus is delayed. At least we have some peace on Saturdays and Sundays. The extra and various activities taking place at the enlarged Ambulance Station with almost no parking, doesn't bear thinking about. It will be busy and dangerous with cars parked everywhere.

The second cause for concern is the increased noise. We have the noise from the school which we accept and once again we have Saturdays and Sundays and school holidays when the road is peaceful. We do not want to have the noise of prayers, group gathering and much else besides. When we moved here in 2000, this was a quiet and peaceful road. Since then the quality of life for us has declined exponentially as the school has increased in size. The idea of a 'prayer room' opening and further increasing parking and noise is very depressing and surely unnecessary. There is a prayer room not far from here in the old karate hall and yet another in Oakhill Road. How many do we need? I see this as unnecessary, unreasonable and unfair and leading to a reduced quality of life for the local residents.

Yours faithfully

Mrs. MP Standerwick. 68, York Road.
