Comment Reasons:

Comment: I am writing to formally support planning application DM2025/01591.

I believe that this proposal will provide key benefits to the local community. Primarily it will serve as a way for locals to bond and socialise, thereby treating the widespread pandemic of loneliness and other mental health problems.

The proposal is in line (in terms of size) with other existing buildings, such as schools, shops, etc.

I respectfully request that Sutton Council approves this application.
