

Comments for Planning Application DM2025/01591

Application Summary

Application Number: DM2025/01591

Address: Ambulance Station Dorset Road Belmont SM2 6JH

Proposal: Change of use from Sui Generis (Ambulance Station) to mixed use Classes F1 (Places of Worship) and F2 (Community Hub) involving the erection of a part one, part two storey front and side extension, increase in height to part of building and provision of cycle and refuse stores.

Case Officer: Polly Davidson

Customer Details

Name: Mr Aneesh Myneni

Address: 38 Belmont Rise Cheam SM2 6EQ

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the proposed planning application on the following grounds:

Limited Access Points:

The former fire station has just three access points. These appear insufficient to accommodate the anticipated rise in vehicle movements and pedestrian traffic associated with a full-time place of worship.

Impact on Avenue School and Surrounding Infrastructure:

The proposed site is close to Avenue School, in an area that already experiences notable traffic congestion and limited parking availability. The introduction of a regularly operating mosque could intensify these existing pressures on local roads. Additionally, increased traffic volumes may heighten concerns about pedestrian safety, particularly for schoolchildren nearby. Taken together, these considerations suggest that the location may present challenges in terms of capacity and road safety.
