Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Dear Planning Officers,

I write to formally object to planning application DM2025/01591 relating to the Ambulance Station on Dorset Road, Belmont.

My objection is based on material change from existing usage of the aforementioned site in a residential area.

Given there are other facilities such as sports clubs and schools for children within close proximity to this site and expected multi fold increase of vehicles due to material change of use, this would pose serious safety issues for the children and noise pollution in this residential neighbourhood.

Side Effect(s)

- * Places of worship and community hubs like this typically generate concentrated traffic.
- * Obstruction of driveways
- * Illegal or inconsiderate parking
- * Noise Disturbance
- * Exacerbate existing traffic congestion
- * Increase risks to school children and pedestrians
- * Intensify use beyond what is appropriate for this location

For these reasons stated above, I kindly request that this planning permission for application DM2025/01591 be refused.

Regards,
Kasi
