Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to DM2025/01591 because the proposal would cause unacceptable harm to highway safety, parking stress, and residential amenity in a constrained residential area, particularly during school-run and evening peaks.

There are community centres nearby on Belmont road, and people should make use of these and help them run it efficiently, instead of creating a bottleneck around the Dorset Road which is already busy due to the ever so popular Avenue School.

I respectfully request to reject the planning application for this site.
