Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have been a resident of Cheam since 2013. I support the planning application for this community centre for the youth in the area. It will bring all the different cultures together under one roof. I feel it will serve as a hub for people from different cultures and ethnicities. I believe it will have a positive impact on our community.
