Comment Reasons:

Comment: I have attended regularly the nearby St Johns Church Hall for Friday prayers, over the past few years.

I am pleased that the Ambulance station will be converted into a local community centre with prayer facilities.

It will be an asset for the neighbourhood since facilities will be available to all.

Parking can be achieved in the same way as it is when using the church hall. A combination of on site parking and considerably in the surrounding streets.

In general prayer times will not clash with local school timings.
