Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I would like to object the implementation of this proposal as Dorset Road is already a very busy road with primary school entrance. With place of worship, there will be several other people using that road which will make it even more busy.

Also, with small school children around in the area, this proposal presents a significant risk for safety of these children.

I am supportive for having places of worships, but not in crowded residential areas.
