Name: Mr Tony Plumb

Address: 16 Balmoral Way Sutton SM2 6PD

Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object on the grounds of the increase in traffic due to the already school-run congestion with the resulting parking obstructions and complete disregard of the parking restrictions that apply. In addition, the subsequent parking on pavement and driveways is intolerable. This application will only increase the volume of traffic that will increase the vulnerability to the residents to the nearby care home and elderly neighbours. As regards to the proposed extensions and increased building height would create a structure that is visually dominant and entirely out of keeping with the domestic scale of neighbouring properties. In addition, there will be the inevitable late night noise generated by people leaving.
