Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Objecting on the grounds of traffic impact. The area is already chaos on Dorset Road, Holland Avenue, Balmoral Way due to the local school and care home.

Re-building the Ambulance station for this purpose would only add to traffic, congestion and safety risks for all but particularly for school-age children.

I have personally witnessed one very near-miss when collecting my children when they were at the local school, borne from congestion and reduced visibility of a driver and given that traffic will no doubt increase further, this is a real worry
