Comment Details

Commenter Type:

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This mosque will not only be a place of worship, but will be a community space delivering the following activities:

- Youth programmes
- wellbeing initiatives
- education
- safe spaces
- elderly engagement
- women's support
- inter-community interaction
- providing support for people who may be lonely or isolated
- providing structured activities

Having this mosque in the local area would benefit the wider community and support social cohesion and opportunities for further interfaith connections between Sutton residents.

I fully support this planning application and love my local community.
