Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The roads all around the surrounding area are already mayhem during school hours, especially with cars parking along brasted close and surrounding roads with people parking inconsiderately in front of people's driveways. The additional cars that this would bring in would be unsafe for the children of the school, inconvenient for buses, residents and people who work, live or use the surrounding areas.
