Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the proposed planning application on the following grounds:

- 1) The planning proposal will worsen the already deteriorated parking and traffic situation on surrounding roads. Residents in this area already face a tough challenge due to large primary school and ever busy roads that serve the exit from Sutton South side to M25 which are shared by local buses S2 and S4. The nearby school, which has more than 1,000 pupils, already generates substantial traffic, creating congestion at key pinch points.
- 2) This is a quiet residential area and the proposal will significantly increase the level of activity in the area through public gatherings, cars moving around for parking and causing additional anxiety to vulnerable residents
