Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: As a very nearby resident and grandparent who regularly does the school run, the area cannot deal with the extra traffic that the change in use would bring. I worry about the congestion to residents in their homes, children going to school and local buses. I have concerns about the safety of young also in the nearby area. The plot is simply too small with inadequate parking for the suggested use of the property extension and change of use.
