Comment Details

Commenter Type:

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The site sits 100 metres from a primary school with over 1,000 pupils. At school dropoff and pickup times, the roads are already heavily congested, with high pedestrian activity and limited visibility.

Adding up to 250 additional visitors, particularly during Friday prayers, which may overlap with school finishing times, would create serious safety risks for children and families.
